## Objective

As a third-year Computer Engineering student, I'm passionate about AI, ML, and Front-end Development. I've explored neural networks, data analysis, and UI design, reflecting my dedication to cutting-edge technology. Eager to contribute to innovative projects, I bring technical proficiency and creative problem-solving skills. Committed to driving impactful outcomes in Computer Engineering, I'm enthusiastic about tackling complex challenges and making meaningful contributions to the field.

## Education

- Pimpri Chinchwad College Of Engineering, Pune** *Pune, Maharashtra*  
• B.Tech in Computer Engineering *2021-Present*
- Sanjay Ghodawat Junior College** *Kolhapur, Maharashtra*  
• Higher Secondary Certificate, Score : 92.83% *2019-2021*
- Mona School** *Satara, Maharashtra*  
• Secondary Certificate, Score : 92.20% *2005-2019*

## Experience

- Junior Developer at Bitlanz Tech.** *August 2023*  
• Took an online virtual internship to enhance learning through complex tasks using **Python**.
- Junior Developer at Codeclause** *April 2023*  
• Took an online virtual internship to enhance my skillset in **HTML, CSS and Javascript**.

## Skills

**Programming Languages:** C, C++, Java(Core), SQL

**Web Technologies:** HTML5, CSS3, Bootstrap, Figma, Reactjs, Nodejs

**Database:** MySQL, MongoDB

**Developer Tools:** GitHub, VS Code

**Courses:** Data structures and Algorithms, OOP, DBMS

**Soft-Skills:** Communication, Time management, Problem solving, Collaboration

## Projects

- Management Systems** | Java, JavaFX, CSS, Oracle, C++, QT GUI Interface  
Developed Park Management system and Hotel management System for smooth functioning of business.
- Criminal Identification** | C, Python, MySQL  
Developed a Criminal Identification System which uses **HaarCascade Algo** for facial recognition.
- Robotic Vacuum Cleaner** | Hardware Components, Sensing tools  
Prototyped a Robotic Cleaner for State Level competition towards Clean India Initiative.

## Achievements

- Higher Studies Head**, Computer Department, PCCOE
- Secretary**, Computer Society Of India (CSI) Chapter, PCCOE
- Finance Head**, International Relations Cell, PCCOE
- Ex-Junior Engineer**, Team Maverick (UAV Development), PCCOE
